New Products and Technology

Who Should Attend

- Artificial Intelligence (AI)
- Assembly Equipment
- Board Cleaning Systems
- Cables & Connectors
- CAD & Manufacturing Software
- Contract Manufacturing
- Displays/ LEDs & LCDs
- Education & Training
- Electronic Components
- Embedded Computers, Systems
- EMI/EMC Control & Certification
- Enclosures
- Flexible Electronics
- Identification and Labelling
- Inspection Equipment
- IOT
- PCB Design
- PCB Fabrication & Test
- Power Supplies
- Service & Repair
- Soldering Supplies
- Soldering and Rework Tools
- Storage & Packaging
- Test & Measurement
- Wire & Harness

Professionals from the following industries are invited

- Automotive, Aviation and Transport
- Broadcast, IT and Communications
- Consultants • Agents • Distributors
- Defence, Security, Government & Utilities
- Industrial, Mining and Construction
- Medical and Biomedical
- OEMs, General Manufacturing and Engineering
- Product Design and Systems Integration
- Scientific, R&D, Education and Training
